

Hello,

For payment process follow this simple procedure

logon to KESOTT clients area using this URL

<https://kenyawebexperts.com/clientarea.php>

here are credentials

username: kennedyochiengojwang@gmail.com

password: 0722637306

Once login, scroll a little you will see Invoice 1 notification on the main section.

Click on it and it will redirect you to the invoice management page.

Click on the unpaid invoice and it will redirect you to the payment page where you will select payment as mpesa.

It will give you a place to input a phone numbers, but normally it has a number already registered with. so you may use to make payments directly

Click on proceed and it will just initialize mpesa payment toolkit on your phone, enter pin, and it's done.

Thank you. In case of any issue, tell me.
